QUARTERLY COMPLIANCE AND ENFORCEMENT SUMMARY
[REVISED, see Correction Notice #001]

October 1, 2009 to December 31, 2009

The 4th Quarterly Compliance and Enforcement Summary for 2009 outlines 6 Orders, 101 Administrative Sanctions, 480 Tickets and 10 Court Convictions for a combined total of $281,214 in fines.

Notable highlights this Quarter:

EOG Resources Canada Inc. was convicted in provincial court of three counts of introducing business waste into the environment and for the unlawful use of a Crown resource. EOG was fined a total of $58,845, with $47,000 of that going to the Habitat Conservation Trust Foundation for environmental conservation and management in the Liard area.

The *Environmental Management Act* and *Water Act* charges stem from EOG's drilling and pipelining operations near Maxhamish Lake, north of Fort Nelson. These convictions were the result of a year long investigation by the B.C. Oil and Gas Commission.

Teck Cominco Metals Inc. was convicted in provincial court of introducing waste into the environment and fined a total of $114,300, with $55,000 of that going to the Columbia River Integrated Environmental Monitoring Program, and another $55,000 going to the Upper Columbia White Sturgeon Recovery Initiative.

This was the largest fine ever awarded on one count under the *Environmental Management Act*. Teck Cominco discharged 900 kilograms of lead refinery electrolyte and 360 litres of acid into the Columbia River following the failure of a heat-exchange unit at its lead and zinc refinery.

Walker Rook Addison was back in provincial court to face charges under the *Wildlife Act* for hunting in a residential neighbourhood of Nanaimo. He was fined $8,495, forfeited his vehicle and prohibited from hunting for ten years. In 2008 Addison was charged with illegal hunting in the Kootenays and fined a total of $17,400.
